

Spring 2010

Welcome to another year of the Boys & Girls Club Camp Spirit. We are happy you chose us to care for your child this summer. The information included in this booklet will help you and your child enjoy the summer camp experience so please take some time to read through it. If you find you still have questions we will be happy to answer them for you.

Our camp will run from June 28th through August 20th this year. The week of August 23rd will be used for the Director's to prepare their Clubs to open on the first day of school and we will not open camp that week. Information for Club registrations will be available to you during camp. Watch the "information board" outside the camp office for when this is available.

Please read through this booklet completely and return all necessary forms to the Franklin Street Clubhouse at 325 Franklin Street in Tonawanda. The phone number there is 693-2307. No applications will be accepted until these forms are turned into the office at Franklin and a space will not be saved for your child until this is completed.

Enjoy your summer!
